Re: Fireman's Fund Ins. Co. v. M/V Gulf Service et al.
07 Civ. 11283 (GBD)
Our File: 2617001

Dear Judge Daniels:

We represent defendants Hornbeck Offshore Transportation, LLC and Hornbeck Offshore Services, LLC ("Hornbeck") in the above captioned maritime collision case.

Under the current Civil Case Management Plan and Scheduling Order, the parties must complete all fact discovery by July 10, 2008. We now write, jointly with counsel for plaintiffs, to request that the parties be granted a one month extension of the deadline for fact discovery, up to and until August 11, 2008. Defendants do not seek to extend any of the other litigation deadlines. This is the first request for a time extension the parties have made in this matter.

This short additional time is necessary since document discovery and a deposition of the plaintiffs' witness on the issue of their loss of use claim have not yet been completed, and the parties believe that this remaining discovery cannot reasonably be completed by July 10, 2008.
